Ramp from Southbound I-495 to Southbound Route 123 to Close Overnights April 15-16, 18

Starting Friday night, April 15, Dulles Corridor Metrorail Project bridge construction over the I-495/Capital Beltway at Route 123 will force the closing of the ramp from southbound I-495 to southbound Route 123 for three consecutive overnights.

This ramp is scheduled to be closed between 11 p.m. and 5 a.m. Friday night and again Saturday night, April 16, and Monday night, April 18, weather permitting.

Traffic to southbound Route 123 will be detoured by continuing south on the beltway and exiting westbound on Leesburg Pike (Route 7). Drivers can then use International Drive to access Route 123, or continue on Leesburg Pike (Route 7) until it intersects Route 123.

Police will be onsite at all times for motorist safety.

*For construction-related emergencies including noise, please use the project **HOTLINE** at **877-585-6789**. For further information about the project, please visit our project website at www.dullesmetro.com or call 703-572-0506.*
