URGENT: Ramp from Southbound I-495 to Southbound Route 123 to Close Late Tonight, April 19

The ramp from southbound I-495 to southbound Route 123 in Tysons Corner will be closed overnight tonight, Tuesday, April 19, from 11 p.m. to 5 a.m. because of Dulles Corridor Metrorail Project construction.

The work was rescheduled to tonight because of inclement weather when the work was previously scheduled.

Traffic to southbound Route 123 will be detoured by continuing south on the beltway and exiting westbound on Leesburg Pike (Route 7). Drivers can then use International Drive to access Route 123, or continue on Leesburg Pike (Route 7) until it intersects Route 123.

Police will be onsite at all times for motorist safety.
