## **Westbound Dulles Airport Access Highway Lane Closures Begin Monday, June 6, at Difficult Run**

The left lane of westbound Dulles International Airport Access Highway will be closed from the Beulah Road overpass to just beyond the 8.7 mile-marker near Hunter Mill Road between the hours of 8 a.m. and 6 p.m., beginning on or about June 6, and continuing for approximately two weeks.

The lane closure is necessary to allow steel girder erection for the bridge that will carry the Dulles Corridor Metrorail Project trains over Difficult Run. During this work, a crane will be positioned in the left lane and trucks carrying larger girders will be pulling into and out of the site throughout the day.

***Drivers should use extreme caution when driving through this area.***

*If you have construction-related emergencies, please call the Dulles Corridor Metrorail Project Hotline at 877-585-6789. For further information about the project, please visit our project website at [www.dullesmetro.com](http://www.dullesmetro.com) or call 703-572-0506.*
