## **Important Lane Closures June 5-11 Include Northbound Beltway Lanes, Eastbound Dulles Airport Access Highway and Eastbound Toll Road at Route 7**

### **Lane Closures on Northbound I-495 Scheduled Next Week**

Multiple lane closures on northbound I-495 at Route 123 (Chain Bridge Road/Dolley Madison Boulevard) are set to resume next week as crews construct the bridge over the beltway.

The two right thru lanes will be closed Sunday, June 5, from 10 p.m. to 5 p.m., and Monday, June 6, from 11 p.m. to 5 a.m.

Crews will then close a third lane Tuesday, June 7 through Thursday, June 9, from 11 p.m. to 5 a.m., and Friday, June 10, from 10:30 p.m. to 7 a.m.

Traffic will be allowed to pass through this interchange, though drivers can expect some delays when approaching. Lanes will begin to taper down near the Route 7 (Leesburg Pike).

All ramps to and from Route 123 will remain open, except for the ramp from southbound Route 123 to southbound I-495, which will be closed in the overnight hours from Thursday, June 9 to Tuesday, June 14.

During this ramp closure, traffic will be detoured by continuing on southbound Route 123, right on International Drive, right on Galleria Drive, right on Tysons Boulevard, then a brief left and immediate entrance to I-495.

### **Eastbound Dulles International Airport Access Highway (DIAAH) to Close Overnight Four Nights Next Week; Detour on to Westbound Lane**

The eastbound lanes of the Dulles International Airport Access Highway (DIAAH) will be closed overnights Wednesday, June 8 – Saturday, June 11, from approximately 8 p.m. to 5 a.m.

The closing is necessary because rail construction crews will be working on a large concrete structure that will straddle two piers on each side of the eastbound DIAAH. **The exit to Route 7 (Leesburg Pike) will remain open.**

This DIAAH road closure will be implemented as follows. All times are approximate:

- 7 p.m. – The left lane of the westbound DIAAH will close near Route 7.
- 7:30 p.m. – The right lane of the eastbound DIAAH also will close near Route 7.
- 8 p.m. – All eastbound DIAAH traffic will be diverted on to a single westbound lane, which will remain open to accommodate diverted Toll Road traffic (*see listing below*). At this time, westbound DIAAH will be two-way traffic.
- Closures will be picked up in reverse order, to be completed at 5 a.m. the following mornings.

This work is expected to occur intermittently as needed through the end of July.

### **Eastbound Dulles Toll Road (Route 267) Also to Close Two Nights Next Week**

For two nights next week, closures on ***both*** the Dulles Toll Road and the Dulles International Airport Access Highway are scheduled.

The previously-announced DIAAH detour (*see details above*) will be combined with a closing and detour of the eastbound Dulles Toll Road, also near Route 7. The toll road closing also will be a gradual closure and all times are approximate:

- 8 p.m. – The three left lanes of the eastbound Toll Road will close near Route 7.
- 10 p.m. – Eastbound toll road traffic will be switched on to the eastbound DIAAH.

This closure will only be implemented overnights Friday, June 10 and Saturday, June 11, and as needed through the end of July.

### **REMINDER: Flagging Operation at Magarity/Olney Intersection Continues**

Flaggers will be directing thru traffic at the Magarity Road/Olney Road intersection in the Pimmit Hills neighborhood as crews continue restoration of the curb line and gutter, and installation of a new storm drainage pipe.

This work will reduce thru traffic to one lane on each road from 9:30 a.m. to 3:30 p.m. Monday, June 6 through Thursday, June 9, and 9:30 a.m. to noon on Friday, June 10.

Private entrances and driveways will be accessible at all times. Signage will be installed warning drivers that the flaggers directing one-lane traffic are ahead. Drivers are urged to use extreme caution when traveling through this intersection.
