Eastbound Dulles Toll Road (Route 267) to Close at Route 7 Overnights Starting June 10; Traffic to Coincide with Airport Access Highway (DAAH) Detour

Beginning on or about Friday, June 10, the eastbound lanes of the Dulles Toll Road (Route 267) will close between 7 p.m. and 5 a.m. near the Route 7 exit. The detour will coincide with a previously announced closure and detour of the eastbound Dulles Airport Access Highway (DAAH). Both detours will occur as needed through July.

Eastbound DAAH traffic will detour on to the westbound lanes of the DAAH, which will be converted to two-way traffic with one lane in each direction. Eastbound Toll Road traffic will then be diverted on to a single lane of the eastbound DAAH. The detour will end shortly after the Route 7 overpasses. **The exit to Route 7 (Leesburg Pike) will remain open.**
