URGENT!

I-495 Lane Closures at Route 123 Now Scheduled for Tonight, June 14, Weather Permitting

Dulles Corridor Metrorail Project construction will force the closing of three northbound lanes of Interstate 495 (the Capital Beltway) at the Route 123 intersection **TONIGHT, JUNE 14**, from 11 p.m. to 5 a.m. because of overhead bridge construction.

Traffic will be allowed to pass through this interchange, but drivers can expect some delays when approaching the area. All ramps to and from Route 123 will remain open.

Police will be onsite. Motorists are urged to use extreme caution, and to pay attention to signage. All work is weather-dependent.

A 24/7 emergency hotline is available for construction-related issues: 877-585-6789.
