Left Lane of Westbound Dulles Connector Road to Close Tonight, Thursday, June 30, Night for Construction

Tonight, Thursday, June 30, Dulles Corridor Metrorail Project construction crews will close the left lane of the westbound Dulles Connector Road (Route 267) from Pimmit Run to the Magarity Road bridge so crews can work on retaining walls in the median.

This lane will be closed from 9:30 p.m. to 5 a.m.

The work is being done at night because a lane on the busy Dulles Connector Road must be closed. This work had been scheduled earlier this week but was delayed because of weather. Every effort will be made to minimize the impact of noise in work areas between the hours of 11 p.m. and 7 a.m.

Police will be onsite during nighttime hours. Motorists are urged to use extreme caution, and pay attention to signage. All work is weather-dependent and subject to change.

A 24/7 emergency hotline is available for construction-related issues: 877-585-6789.
