Cancellation: Lane Shifts of Westbound Route 7 Postponed

The previously announced overnight Saturday, May 21 shift of the westbound lanes of Leesburg Pike (Route 7) between Tyco Road and the Dulles Toll Road (Route 267) will be rescheduled due to this week's inclement weather.

Crews must have drier conditions to finish the necessary paving and striping for this shift. Once implemented, the lanes will be shifted outward by about a dozen feet to create more room for construction in the median.
