UPDATE: Full Closures of Tysons Boulevard Rescheduled to May 23-26 Overnights

Dulles Corridor Metrorail Project crews plan to close Tysons Boulevard from Galleria Drive to Route 123 (Chain Bridge Road) overnight tonight, Monday, May 23 through Thursday, May 26, for pier and station work. In addition, all turn lanes from Galleria Drive and northbound Route 123 on to Tysons Boulevard will be closed.

These closures will be in place from 11 p.m. to 5 a.m. each night. Thru traffic on **eastbound** Tysons Boulevard toward Route 123 will be detoured as follows:

- Left on Galleria Drive/Westpark Drive
- Left on Westbranch Drive
- Right on Tysons Boulevard
- Left on International Drive to access Route 123

An alternate route for hotels and businesses along Tysons Boulevard would be to turn left on to westbound Tysons Boulevard, then left on International Drive. **Note:** Galleria Drive only allows a right turn on to International Drive and thus does not access Route 123.

Police will be onsite at all times for motorist safety. This work was rescheduled due to inclement weather.
