## **Paving along Dulles Connector Road (Route 267) near I-66/West Falls Church Scheduled to Begin Tonight; Additional Noise May Occur**

Dulles Corridor Metrorail Project crews are scheduled to perform pavement restoration along both directions of the Dulles Connector Road (Route 267) near the I-66 flyover during the overnight hours Tuesday, Oct. 11, through Thursday, Oct. 13.

The following lanes will be closed during these operations:

- Left thru lane of **westbound** Connector Road – closed 9:30 p.m. to 5 a.m. for a 1,000-foot stretch east of the Idylwood Road overpass
- Right thru lane of **eastbound** Connector Road – closed 10 p.m. to 5 a.m. from Idylwood Road to the bus ramp exit to the West Falls Church transit center

**Noise warning:** Every effort will be made to minimize the noise associated with this work. **However, paving is an extremely dangerous activity and will require the full use of backup alarms to ensure workers' safety.**

Motorists should stay alert, use extreme caution, and be prepared to allow extra time or alter their travel along these roads.

A 24/7 emergency hotline is available for construction-related issues: 877-585-6789. For general project information: [www.dullesmetro.com](http://www.dullesmetro.com) or 703-572-0506.
