UPDATE: Paving along Dulles Connector Road Rescheduled to Tonight, October 18

Due to weather delays, residents who live along sections of the Dulles Connector Road (Route 267) from Magarity Road to the West Falls Church station in the McLean/Falls Church area should be aware of additional overnight activities planned for tonight.

Dulles Corridor Metrorail Project crews have rescheduled pavement restoration along the westbound Dulles Connector Road (Route 267) near the I-66 flyover for tonight. The left thru lane of the westbound Connector Road will be closed from 9:30 p.m. to 5 a.m. for a 1,000-foot stretch east of the Idylwood Road overpass.

Noise warning: Every effort will be made to minimize the noise associated with this work. **However, paving is an extremely dangerous activity and will require the full use of backup alarms to ensure workers' safety.**

Police will be onsite for safety. All work is weather pending and subject to change.

*For construction-related emergencies including noise, please use the project **HOTLINE** at **877-585-6789**. For further information about the project, please visit our project website at **www.dullesmetro.com** or call 703-572-0506.*
