Important Lane Closures for September 4-10

Hunter Mill Road to Close at Dulles Toll Road (Route 267) Tuesday, Wednesday Nights

Drivers who use Hunter Mill Road in the Reston area will experience delays in the overnight hours on or about Tuesday, Sept. 6, and Wednesday, Sept. 7. Weather permitting, Hunter Mill Road will be closed at the Dulles Toll Road between 11 p.m. and 5 a.m. on those nights.

The closing is necessary for work on the bridge that will carry tracks for the Dulles Corridor Metrorail Project in the median of the Dulles Toll Road over Hunter Mill Road.

Drivers going south on Hunter Mill Road will need to detour by turning right on to Sunset Hills Road, left on Wiehle Avenue, then left on to Sunrise Valley Drive to reconnect with Hunter Mill Road south.

If traveling north on Hunter Mill Road, drivers should use the reverse of the southbound detour. They will be directed to turn left on Sunrise Valley Drive, right on Wiehle Avenue, then right on Sunset Hills Road to access northbound Hunter Mill Road.

Magarity Road to Close Overnights at the Dulles Connector Road Thursday and Friday Nights

Attention motorists in the McLean/Pimmit Hills/Tysons Corner areas: Magarity Road will be closed at the Dulles Connector Road (Route 267) from 11 p.m. to 5 a.m. next Thursday, Sept. 8 and Friday, Sept. 9. Bridge crews will move to this area once they complete the work at Hunter Mill Road (*see above*).

Eastbound Magarity Road traffic will be directed on to northbound Anderson Road, right on [Old] Chain Bridge Road, then right on Great Falls Street to access Magarity Road.

Westbound Magarity Road traffic can use northbound Great Falls Street, left on [Old] Chain Bridge Road, to southbound Anderson Road. The turn lanes from both directions of Great Falls Street on to Magarity Road also will be closed.

Lane Closures of I-495 at Route 123 to Continue Next Week

Multiple overnight lane and ramp closures on both directions of I-495 at Route 123 are set to continue mid-next week. At this time, closures are scheduled for Tuesday, Sept. 6 through Friday, Sept. 9. All work is weather-permitting and subject to change.

These closures generally are expected to occur Sundays through Fridays through the end of the year. Stay tuned for daily updates on closures and possible detours.

Full Closures of Eastbound Tysons Boulevard Continue Overnights Next Week

Dulles Corridor Metrorail Project crews plan to close the eastbound lanes of Tysons Boulevard from Galleria Drive to Route 123 (Chain Bridge Road) overnight Tuesday, Sept. 6 through Friday, Sept. 9, for pier and station work. In addition, the turn lanes from Galleria Drive and Route 123 on to eastbound Tysons Boulevard will be closed.

These closures will be in place from 11 p.m. to 5 a.m. each night. Westbound Tysons Boulevard traffic will remain open.

Thru traffic on eastbound Tysons Boulevard toward Route 123 will be detoured as follows:

- Left on Galleria Drive/Westpark Drive
- Left on Westbranch Drive
- Right on Tysons Boulevard
- Left on International Drive to access Route 123

An alternate route for hotels and businesses along Tysons Boulevard would be to turn left on to westbound Tysons Boulevard, then left on International Drive. **Note:** Southbound Galleria Drive only allows a right-turn on to International Drive and thus does not access Route 123.

Holiday Lane Closure Schedule

Unless listed otherwise, there will be no lane closures from noon Friday, Sept. 2, to noon Tuesday, Sept. 6, in observance of the Labor Day holiday.
