Important Lane Closures for September 11-17

Overnight Closures of Hunter Mill Road Rescheduled to Monday, Tuesday Nights Next Week

Due to inclement weather, previously announced full closures of Hunter Mill Road at the Dulles Toll Road (Route 267) have been rescheduled to Monday, Sept. 12, and Tuesday, Sept. 13. Weather permitting, Hunter Mill Road will be closed at the Dulles Toll Road between 11 p.m. and 5 a.m. on those nights.

The closing is necessary for work on the bridge that will carry tracks for the Dulles Corridor Metrorail Project in the median of the Dulles Toll Road over Hunter Mill Road. Drivers in the Reston area can expect some delays in this area.

Drivers going south on Hunter Mill Road will be detoured to turning right on to Sunset Hills Road, left on Wiehle Avenue, then left on to Sunrise Valley Drive to reconnect with Hunter Mill Road south.

If traveling north on Hunter Mill Road, drivers should use the reverse of the southbound detour. They will be directed to turn left on Sunrise Valley Drive, right on Wiehle Avenue, then right on Sunset Hills Road to access northbound Hunter Mill Road.

Magarity Road Closures Rescheduled, to Wednesday and Thursday Nights

Attention motorists in the McLean/Pimmit Hills/Tysons Corner areas: Magarity Road will be closed at the Dulles Connector Road (Route 267) from 11 p.m. to 5 a.m. next Wednesday, Sept. 14, and Thursday, Sept. 15. This work was rescheduled due to inclement weather.

Eastbound Magarity Road traffic will be directed on to northbound Anderson Road, right on [Old] Chain Bridge Road, then right on Great Falls Street to access Magarity Road.

Westbound Magarity Road traffic can use northbound Great Falls Street, left on [Old] Chain Bridge Road, to southbound Anderson Road. The turn lanes from both directions of Great Falls Street on to Magarity Road also will be closed.

Bridge Construction over Westpark Drive/Gosnell Road at Leesburg Pike (Route 7); Multiple Overnight Closures and Detours Required

Bridge construction over the Westpark Drive/Gosnell Road intersection with Leesburg Pike (Route 7) is scheduled to continue next week.

Overnight thru traffic along both directions of Leesburg Pike (Route 7) still will be open, but left turns on to Westpark or Gosnell will not be allowed. For safety reasons, thru traffic on Westpark/Gosnell will be prohibited, and will be detoured by using Route 7 as follows:

- Southbound Westpark Drive thru traffic **and** motorists wanting to turn left on to eastbound Leesburg Pike will need to turn right on to westbound Leesburg Pike, then U-turn at either Spring Hill Road or Tyco Road, and continue on eastbound Leesburg Pike toward Gosnell Road.
- Northbound Gosnell Road thru traffic **and** motorists wanting to turn left on to westbound Leesburg Pike will need to turn right on to eastbound Leesburg Pike, pass under Route 123, turn left on International Drive, left on Chain Bridge Road (Route 123), then take the exit ramp to Route 7 to turn right on Westpark Drive.

Weather permitting, these closures will be in place from 10 p.m. to 5 a.m. Sundays through Thursdays, and 10:30 p.m. to 7 a.m. on Fridays, until that portion of the bridge work is complete.

Full Closures of Eastbound Tysons Boulevard Continue Overnights Next Week

Dulles Corridor Metrorail Project crews plan to close the eastbound lanes of Tysons Boulevard from Galleria Drive to Route 123 (Chain Bridge Road) overnight Monday, Sept. 12 through Saturday, Sept. 17, for pier and station work. In addition, the turn lanes from Galleria Drive and Route 123 on to eastbound Tysons Boulevard will be closed.

These closures will be in place from 11 p.m. to 5 a.m. each night. Westbound Tysons Boulevard traffic will remain open.

Thru traffic on eastbound Tysons Boulevard toward Route 123 will be detoured as follows:

- Left on Galleria Drive/Westpark Drive
- Left on Westbranch Drive
- Right on Tysons Boulevard
- Left on International Drive to access Route 123

An alternate route for hotels and businesses along Tysons Boulevard would be to turn left on to westbound Tysons Boulevard, then left on International Drive. **Note:** Southbound Galleria Drive only allows a right-turn on to International Drive and thus does not access Route 123.

Lane Closures of I-495 at Route 123 to Continue Next Week

Multiple overnight lane and ramp closures on both directions of I-495 at Route 123 are expected to continue mid-next week. All work is weather-permitting and subject to change. These closures generally are expected to occur Sundays through Fridays through the end of the year. Stay tuned for updates on closures and possible detours as they are scheduled.
