DULLES CORRIDOR METRORAIL PROJECT

REMINDER! Overnight Closures of Multiple Lanes on Northbound and Southbound I-495 at Route 123, TONIGHT, Wednesday, Sept. 14

10-minute Total Closure Scheduled Between 1 a.m. and 3 a.m.

Three lanes of both northbound and southbound Interstate I-495 at Route 123 in Tysons Corner will be closed overnight tonight, Wednesday, Sept. 14, from 11 p.m. to 5 a.m. because of Dulles Corridor Metrorail Project construction.

The lanes involved are:

Northbound I-495

- **Three left lanes** of northbound I-495 - closed from Leesburg Pike (Route 7) to Route 123.

Southbound I-495

- **Three left lanes** of southbound I-495 - closed from 1,500 feet north of Lewinsville Road to Route 123.

Also, drivers should expect a **10-minute closure of ALL lanes between 1 a.m. and 3 a.m.** to allow crews to move a large crane out of the work area and **five-minute total closures at approximately 11 p.m.**

The set-up for these lane closures is expected to begin as early as 9:30 p.m.

Motorists are urged to use extreme caution, and pay attention to signage when traveling through this area. Police will be on site. All work is weather-dependent and subject to change.

*For construction-related emergencies including noise, please use the project **HOTLINE** at **877-585-6789**. For further information about the project, please visit our project website at www.dullesmetro.com or call 703-572-0506.*
