REMINDER: Eastbound Dulles International Airport Access Highway (DIAAH), Eastbound Dulles Toll Road (Route 267) and Ramp to Close Tonight and Tuesday Nights; Detours Required

Weather permitting, crews expect to implement the following full closures and detours of **both** the eastbound Dulles International Airport Access Highway (DIAAH) and Dulles Toll Road (Route 267) tonight, **Monday, Aug. 15 and tomorrow night, Tuesday, Aug. 16**. The entrance ramp from eastbound Leesburg Pike (Route 7) to the eastbound Dulles Toll Road (Route 267) also will be closed.

These closures will be gradual, beginning at approximately 7 p.m., to be implemented as follows:

Eastbound DIAAH Closure and Detour

- 7 p.m. – The left lane of the westbound DIAAH will close near Route 7.
- 7:30 p.m. – The right lane of the eastbound DIAAH also will close near Route 7.
- 8 p.m. – All eastbound DIAAH traffic will be diverted on to the single westbound lane, which will remain open to accommodate diverted Toll Road traffic (*see listing below*). At this time, westbound DIAAH will be two-way traffic.

Closures will be picked up in reverse order, to be completed at 5 a.m. the following mornings to avoid the morning rush hour.

Eastbound Dulles Toll Road (Route 267) Closure and Detour

The DIAAH detour (*see details above*) will be combined with a closing and detour of the eastbound Dulles Toll Road, also near Route 7:

- 8 p.m. – The three left lanes of the eastbound Toll Road will close near Route 7.
- 10 p.m. – Eastbound toll road traffic will be switched on to the eastbound DIAAH.

Ramp from Eastbound Leesburg Pike (Route 7) to the Eastbound Dulles Toll Road (Route 267)

The entrance ramp from eastbound Leesburg Pike (Route 7) to the eastbound Dulles Toll Road (Route 267) also will be closed on Monday and Tuesday nights, from 9:30 p.m. to 5 a.m.

Traffic will be detoured by continuing on eastbound Route 7, making a U-turn at Westwood Center Drive/Tyco Road on to westbound Route 7, then right on to the entrance ramp to the eastbound Dulles Toll Road.

Police will be onsite. Motorists are urged to use extreme caution, and pay attention to signage. All work is weather-dependent and subject to change.

A 24/7 emergency hotline is available for construction-related issues: 877-585-6789.
