Ramp Closure and Detour Friday Night: I-495 Southbound Exit to Southbound Route 123 in Tysons Corner

The exit ramp from southbound I-495 Capital Beltway (Outer Loop) to southbound Chain Bridge Road (Route 123) will close overnight Friday, Jan. 29. The ramp will be closed between 12:00 a.m. and 5:00 a.m. so crews can relocate barriers, and stripe and pave asphalt.

Traffic will be directed to use the following detour to access southbound Chain Bridge Road (Route 123). Drivers will use the other three exit ramps at this interchange (see attached map):

- Use the exit to northbound Chain Bridge Road (Route 123) toward McLean
- Remain on the exit ramp and use the on-ramp to northbound I-495 (Inner Loop)
- From northbound I-495 (Inner Loop), use the existing exit to southbound Chain Bridge Road (Route 123)

In addition, motorists using eastbound I-66 will experience lane closures near the Dulles Connector Road (Route 267) interchange Friday night and Saturday morning.

Construction crews will be slightly shifting the lanes of I-66 eastbound from just west of the Dulles Connector Road (Route 267) interchange to Great Falls Street, also overnight on Friday, Jan. 29. All work will be performed during the times noted below:

- Between 10:30 p.m. and 5 a.m., the right and center through lanes will be closed.
- Between 5 a.m. and 9 a.m. early Saturday morning, Jan. 30, crews will reopen those lanes and close the left through lane to complete the lane shift.

All work is weather permitting. Police will be onsite for motorist safety. Detour signs will also be in place to aid drivers when necessary. Please stay alert and use extreme caution when traveling in these work areas.

For construction-related emergencies, call the Project Hotline at 877-585-6789. For information about the project, visit www.dullesmetro.com or call 703-572-0506.
