Important Lane Closures May 24-28, 2010

Memorial Day Holiday Schedule

Unless otherwise noted, no lane closures will be scheduled from noon Friday, May 28, through noon Tuesday, June 1, in observance of the Memorial Day holiday.

Nighttime Closure of Eastbound Dulles International Airport Access Highway

Motorists using the eastbound Dulles International Airport Access Highway (DIAAH, or more commonly known as the Airport Access Road) will experience a slight detour overnights on or about Tuesday, May 25 and Wednesday, May 26.

Traffic will be directed to use the slip ramp to the I-495 exit and follow the Dulles Toll Road (Route 267) eastbound to the merge. This will allow drivers to avoid crews who will be setting formwork near the roadway.

The left lane of the Dulles Toll Road will also be closed on these nights to create a safe work zone while the formwork is set.

Two Overnight Ramp Closures in Tysons Corner

I-495 South and Route 123 (Chain Bridge Road)

The on-ramp from southbound Route 123 (Chain Bridge Road) to the southbound I-495 Capital Beltway (Outer Loop) will close between 11:00 p.m. and 5:00 a.m. on Monday through Thursday nights, May 24-27. Crews will be installing a large reinforced iron cage for pier construction in that area.

Drivers will detour by:

- Continuing south on Route 123
- Right on International Drive
- Right on Galleria Drive
- Right on Tysons Boulevard
- A short left on southbound Route 123 to access the southbound Beltway ramp.

This detour will not conflict with the Tysons Boulevard detour listed above; once implemented, the eastbound lanes of Tysons Boulevard will be open between Galleria Drive and Route 123.

Leesburg Pike (Route 7) and Route 123 (Chain Bridge Road)

The on-ramp from eastbound Leesburg Pike (Route 7) to southbound Chain Bridge Road (Route 123) will close overnight Wednesday and Thursday, May 26 and 27, for crews to place barriers. Traffic can access southbound Chain Bridge Road by using International Drive via Route 7, before Tysons Corner Center.
