REMINDER: I-66 Westbound Detour at Dulles Connector Road Overnight Tonight For Metrorail Construction

Interstate 66 westbound at the Dulles Connector Road (Route 267) will be closed overnight tonight, Tuesday, Feb. 15, between 11 p.m. and 5 a.m., for Dulles Corridor Metrorail Project construction, weather permitting.

This closure will affect drivers bound for destinations along I-66 west of Arlington.

For safety reasons, traffic cannot be allowed to flow under this construction work. Thru traffic will be detoured on to the Dulles Connector Road westbound, then on to Route 123 south toward Tysons Corner, to a right turn on to the ramp to the Capital Beltway south toward Richmond. Drivers can then rejoin I-66 from the Beltway.

To avoid the closure, drivers bound for destinations inside the Capital Beltway may find alternate routes via other local westbound roads by exiting I-66 prior to the I-66/Dulles Connector Road split. For example, traffic bound for the Falls Church City/Broad Street and Idylwood areas can exit before the detour and use Route 29/Washington Street to connect with Broad Street (Route 7 west).

Police will be onsite for motorist safety.

*For construction-related emergencies including noise, please use the project **HOTLINE** at **877-585-6789**. For further information about the project, please visit our project website at www.dullesmetro.com or call 703-572-0506.*
