Important Lane Closures, Jan. 16-22, 2011

Westpark Bridge Closures to Resume Overnights on Sunday, Jan. 16

Westpark Bridge, which connects Westpark Drive to Tysons Corner Center over Route 123, will be closed Sunday, Jan. 16, through Friday, Jan. 21, from 10 p.m. to 5:30 a.m.

Traffic on Westpark Drive will be directed to detour by staying on Westpark, turning left on International Drive, then left on Chain Bridge Road (Route 123) to enter Tysons Corner Center on the right. An alternate route would be to use Tysons Boulevard, which also allows drivers to turn left on International Drive to Chain Bridge Road.

Bridge construction crews using the massive blue-and-yellow crane, (called a truss) will be lifting segments into place over the road, and traffic will not be allowed to travel underneath for public safety reasons. All dates are weather permitting and subject to change.

Drivers should expect Westpark Bridge to be closed some overnights through the next few weeks until the bridge work is complete and the truss moves west toward Tysons Boulevard.

Westbound I-66 Closed at Dulles Connector Road (Route 267) Wednesday Through Saturday Nights Next Week

I-66 westbound is scheduled to close overnight at the Dulles Connector Road (Route 267) split Wednesday, Jan. 19 through Saturday, Jan. 22, between 11 p.m. and 5 a.m.

Thru traffic will be detoured on to the Dulles Connector Road westbound, then on to Route 123 south toward Tysons Corner, to a right turn on to the ramp to the Capital Beltway south toward Richmond. Drivers can then rejoin I-66 from the Beltway. Local traffic can use exits prior to the detour area.

For safety reasons, traffic cannot be allowed to flow under this construction work.

Holiday Lane Closures

With some exceptions, there will be no lane closures from noon Friday, Jan. 14, to noon Tuesday, Jan. 18, in observance of the Martin Luther King, Jr., holiday.
