Emergency Re-Striping Operations This Week

Crews will be doing emergency re-striping along main thoroughfares along most of the Dulles Corridor Metrorail Project alignment for the rest of this week.

Re-striping operations will take place from 9:30 a.m. and 3:30 p.m. Tuesday, Mar. 1 through Thursday, Mar. 3, and from 9:30 a.m. to noon on Friday, March 4.

The following roads are scheduled to be re-striped in both directions, where applicable:

- Tysons Boulevard
- Route 123 inside the Beltway, between Capital One Drive and the Dulles Connector Road (Route 267)
- Route 66 between the Dulles Connector Road (Route 267) split and the Great Falls Street overpass
- F-773 Frontage Road, between Route 123/International Drive and Route 7
- Route 7 side streets and intersections – Tyco Road/Westwood Center Drive, Spring Hill Road, and Westpark Drive/Gosnell Road

This work will require rolling closures of a single lane of traffic while the work is being done. Paint trucks will be followed by crash trucks and another vehicle for safety.

Drivers are encouraged to use extreme caution and expect minor delays today while the roads are re-striped.

*For construction-related emergencies including noise, please use the project **HOTLINE** at **877-585-6789**. For further information about the project, please visit our project website at www.dullesmetro.com or call 703-572-0506.*
