REMINDER: Bridge Construction to Resume Tonight, Friday Night over Westpark Drive/Gosnell Road at Route 7

The Dulles Corridor Metrorail Project bridge span construction at the Route 7/Westpark Drive-Gosnell Road intersection is nearing completion. This requires the middle of the intersection to be closed between 10 p.m. and 5 a.m. tonight, Thursday, Dec. 8 and Friday night, Dec. 9.

Thru traffic along both directions of Leesburg Pike (Route 7) will still be allowed. For safety reasons, thru traffic on Westpark/Gosnell will not be allowed, and will be detoured by using Route 7 as follows:

- Southbound Westpark Drive thru traffic and motorists wanting to turn left on to eastbound Leesburg Pike will need to turn right on to westbound Leesburg Pike, then U-turn at either Spring Hill Road or Tyco Road, and continue on eastbound Leesburg Pike towards Gosnell Road.
- Northbound Gosnell Road thru traffic and motorists wanting to turn left on to westbound Leesburg Pike will need to turn right on to eastbound Leesburg Pike, pass under Route 123, turn left on International Drive, left on Chain Bridge Road (Route 123), then take the exit ramp to Route 7 to turn right on Westpark Drive.

Police will be onsite. Motorists are urged to use extreme caution, and pay attention to signage. All work is weather-dependent and subject to change.

A 24/7 emergency hotline is available for construction-related issues: 877-585-6789.
