Weather permitting, these closures will be in place from 10 p.m. to 5 a.m. Monday through Thursday of next week, and Friday night from 10:30 p.m. to 5 a.m.

Overnight thru traffic along both directions of Leesburg Pike (Route 7) still will be open, but left turns on to Westpark or Gosnell will not be allowed. For safety reasons, thru traffic on Westpark/Gosnell will be prohibited, and will be detoured by using Route 7 as follows:

- Southbound Westpark Drive thru traffic ***and*** motorists wanting to turn left on to eastbound Leesburg Pike will need to turn right on to westbound Leesburg Pike, then U-turn at either Spring Hill Road or Tyco Road, and continue on eastbound Leesburg Pike toward Gosnell Road.
- Northbound Gosnell Road thru traffic ***and*** motorists wanting to turn left on to westbound Leesburg Pike will need to turn right on to eastbound Leesburg Pike, pass under Route 123, turn left on International Drive, left on Chain Bridge Road (Route 123), then take the exit ramp to Route 7 to turn right on Westpark Drive.

Eastbound Tysons Boulevard to Close Monday through Wednesday Nights

The eastbound lanes of Tysons Boulevard will be closed between Chain Bridge Road (Route 123) and Galleria Drive Wednesday through Friday nights, Nov. 30-Dec. 2, for overhead bridge, pier and station work near the future Tysons Central 123 station.

This also will require the closures of the turn lanes on to eastbound Tysons Boulevard from northbound Chain Bridge Road (Route 123), and northbound and southbound Galleria Drive. Generally, these lane closures will begin to be implemented at 9:30 p.m. each night, and will be lifted between 5 a.m. each following morning.

Detours around this closure will be in place. Please use extreme caution, pay attention to signage, and obey police direction if traveling around this intersection.

Overnight Lane and Ramp Closures on the I-495 Capital Beltway Continue Next Week

Crews will continue the bridge construction over I-495 at the Route 123 intersection next week, weather permitting. Multiple lanes in either direction of the beltway may be closed in the overnight hours, though thru traffic will be permitted. In some cases, a ramp may be closed when work is scheduled over that ramp. Specific lane closures and detour information will be announced daily, and should be expected through the end of the year.
