REMINDER Bridge Construction Continues over Westpark Drive/Gosnell Road at Leesburg Pike (Route 7); Left Turns Prohibited This Week from Route 7

Drivers using Leesburg Pike (Route 7) at Westpark Drive/Gosnell Road in Tysons Corner will not be able to make left turns starting tonight Monday, Nov. 28, through Thursday, Dec. 2, from 10 p.m. to 5 a.m. and Monday and Friday night, Dec. 3, from 10:30 p.m. to 5 a.m.

Overnight thru traffic along both directions of Leesburg Pike (Route 7) will be open, but left turns on to Westpark or Gosnell will not be allowed because of Dulles Corridor Metrorail Project construction.

Traffic will be detoured by using Route 7 as follows:

- Southbound Westpark Drive thru traffic **and** motorists wanting to turn left on to eastbound Leesburg Pike will need to turn right on to westbound Leesburg Pike, then U-turn at either Spring Hill Road or Tyco Road, and continue on eastbound Leesburg Pike toward Gosnell Road.
- Northbound Gosnell Road thru traffic **and** motorists wanting to turn left on to westbound Leesburg Pike will need to turn right on to eastbound Leesburg Pike, pass under Route 123, turn left on International Drive, left on Chain Bridge Road (Route 123), then take the exit ramp to Route 7 to turn right on Westpark Drive.

A 24/7 emergency hotline is available for construction-related issues: 877-585-6789. For general project information: www.dullesmetro.com or 703-572-0506.
