## **Flagging Operations on Frontage Road in Tysons Corner Scheduled for Saturday Night**

The F-773 Frontage Road connecting southbound Chain Bridge Road (Route 123) and westbound Leesburg Pike (Route 7) will be controlled by flaggers from 9:30 p.m. to 7 a.m. Saturday night, Oct. 22, because of Dulles Corridor Metrorail Project construction work.

The flagging crews will be in place from approximately 500 feet to 1,000 feet north of Route 7. Dulles Metro crews will be preparing for utility work.

Businesses along the frontage road that are open after 9:30 p.m. (e.g. Clyde's) should be aware of this work, and notify their employees and customers.

Motorists should stay alert and use extreme caution if traveling along this road. Police will be on site for safety.

A 24/7 emergency hotline is available for construction-related issues: 877-585-6789. For general project information: [www.dullesmetro.com](http://www.dullesmetro.com) or 703-572-0506.
