Eastbound Tysons Boulevard to Close Friday, Saturday Nights Between Route 123 and Galleria Drive; Detours Planned

Drivers in Tysons Corner will experience detours near Tysons Boulevard and Route 123 Friday and Saturday nights, Oct. 28-29 because of Dulles Corridor Metrorail Project construction.

The eastbound lanes of Tysons Boulevard will be closed between Chain Bridge Road (Route 123) and Galleria Drive starting at approximately 9:30 p.m. each night because of overhead bridge, pier and station construction near the future Tysons Central 123 Metrorail Station.

The turn lanes on to eastbound Tysons Boulevard from northbound Chain Bridge Road (Route 123), and northbound and southbound Galleria Drive will also be closed.

Generally, these lane closures will begin to be implemented at 9:30 p.m., and will be lifted between 5 and 9 a.m. the next morning.

Detours around this closure will be in place. Drivers are urged to pay attention to signage, and be alert for police directions if traveling around this intersection.

A 24/7 emergency hotline is available for construction-related issues: 877-585-6789. For general project information: www.dullesmetro.com or 703-572-0506.
