**URGENT: Total 15-Minute Closures of Southbound I-495
Anticipated Overnight Tonight in Tysons
*Three Left Southbound Lanes to Close from 11 p.m. to 5 a.m.***

Drivers using southbound I-495 tonight should expect intermittent 15-minute total closures between the Old Dominion Drive overpass and Route 123 between 11 p.m. and 5 a.m. because of Dulles Corridor Metrorail Project construction.

During those same hours, the three left lanes of the southbound lanes of I-495 will be closed.

The 15-minute closings will be used only to move equipment. All work is weather-dependent.

Police will be onsite for safety to help guide motorists.

Motorists should stay alert, use extreme caution, and be prepared to allow extra time or alter their travel along these roads.

A 24/7 emergency hotline is available for construction-related issues: 877-585-6789. For general project information: www.dullesmetro.com or 703-572-0506.
