Several Overnight Lane/Ramp Closures in Tysons Corner Resume Tonight, Jan. 3

Bridge Construction in Median of Leesburg Pike (Route 7) to Close Spring Hill Road Intersection

Bridge construction continues in the median of Leesburg Pike (Route 7) over the Spring Hill Road and intersection tonight between 11 p.m. and 5 a.m.

Thru traffic along both directions of Leesburg Pike (Route 7) still *will* be allowed, but for safety reasons, thru traffic on Spring Hill Road *will not* be allowed, and will be detoured by using Route 7 as follows:

- Southbound Spring Hill Road thru traffic **and** motorists wanting to turn left on to eastbound Leesburg Pike will need to turn right on to westbound Leesburg Pike, then U-turn at Tyco Road/Westwood Center Drive, and continue on eastbound Leesburg Pike toward Spring Hill Road.
- Northbound Spring Hill Road thru traffic **and** motorists wanting to turn left on to westbound Leesburg Pike will need to turn right on to eastbound Leesburg Pike, U-turn at Westpark Drive/Gosnell Road, and continue on westbound Route 7 to access Spring Hill Road.

Drivers should expect approximately 10- to 15-minute travel delays if traveling through this area during these closures, which are expected to last through the end of the year.

Note: The previously announced additional closures of the intersection of Westpark Drive/Gosnell Road and Route 7 have been **cancelled** for tonight.

Right Lane of Southbound Route 123, Ramp to Northbound I-495 to Close Overnights

Southbound Route 123 in Tysons Corner will be closed between Capital One Drive and the east side of I-495 from 9 p.m. to 5 a.m. tonight for overhead bridge construction.

In addition, the on-ramp from southbound Route 123 to northbound I-495 also will be closed on those nights from 11 p.m. to 5 a.m. To access I-495 North, traffic will be detoured to continue on southbound Route 123, right on International Drive, right on Galleria Drive, right on Tysons Boulevard, then left on to northbound Route 123 to the *second* exit on to northbound I-495.

Note: The previously announced closures of Tysons Boulevard have been **cancelled** for this evening.

Overnight Road, Ramp Closures of Route 123 at the Dulles Connector Road Jan. 3-7

The following closures are scheduled to occur overnight along southbound Route 123 (Dolley Madison Boulevard) at the Dulles Connector Road (Route 267) interchange tonight:

- Two right lanes of **southbound** Route 123 **closed** between Route 267 and Anderson Road.
- Ramp from **eastbound** Route 267 to **southbound** Route 123 also will be closed.
Detour: Exit on to **northbound** Route 123, turning right on Great Falls Street, right on [Old] Chain Bridge Road, right on Anderson Road to access southbound Route 123.

Motorists should stay alert, use extreme caution, and be prepared to allow extra time or alter their travel along these roads.
